

Submission Instructions

SUBMISSION FILE RULES

The **csv** you submit **must have**:

- a header
- same number of rows and columns as the test dataset / template*
- columns in the same order as shown in the template
- comma-separated values
- $\text{pred_95_low} \leq \text{prediction} \leq \text{pred_95_high}$
- month_num should be in order from 0 to 23 per each country-brand

*The template is in **Teams Datathon Novartis** → *General* → *Files* → *data* → *submission_template.csv*
